

## RIGGERS PRE-QUALIFICATION REQUIREMENTS

International Auction & Appraisal Services, LLC does not endorse or represent any rigging or machinery moving company. Companies or individuals that purchase auction goods from any of IAAS's auctions are solely responsible for removing their purchases from the auction site in a safe manner. Any Company contracted by an auction buyer, or in any fashion using heavy equipment to remove their purchased and paid for auction goods from an auction site will be required to provide IAAS with a valid certificate of insurance that meets the following requirements.

International Auction & Appraisal, LLC must be named on the certificate as a certificate holder:

**2A West Forrest Avenue  
Shrewsbury, PA 17361**

Company must possess no less than \$1,000,000 in general liability coverage as well as \$1,000,000 in workman's compensation coverage

IAAS reserves the right to alter the pre-qualification requirement at any time for any auctions.

IAAS also reserves the right to deny any company or individual access to IAAS' auction sites if IAAS is at any time dissatisfied with the conduct of the service provider or the quality of the service provided.

If you would like to be pre-qualified as a potential service provider please fax insurance certificates that meet the criteria above along with the completed Riggers Information Form to (717) 235-8331.
